## GRADE R

### Montessori Method and Materials adapted to the Curriculum and Assessment Statement (CAPS)

We are registered with SACE and have close ties with the South African Montessori Association (SAMA) and the Association for the Education and Care of Young Children (AECYC) which keeps us up to date with the latest developments in education.

The Montessori materials provide learners the opportunity to discover concepts concretely before they enter formal education in primary school.

We cover the aims and areas set out for Grade R in the Curriculum and Assessment Policy Statement (CAPS).

We assure lots of individual attention to help your child reach his/her full potential and to obtain school readiness - emotionally, physically and intellectually.

Parents are often referred to our school by teachers of primary schools in the area due to the high standard of our learners in their schools.

“The education of even a small child, therefore does not aim at preparing him for school, but for life.”

Dr Maria Montessori

Ons verseker baie individuele aandag vir elke Zonkie om hom/haar te help om sy/haar volle potential te kan bereik en om emosioneel, intellektueel en fisies skoolgereed te kan word.

Ouers word dikwels na ons skool verwys deur onderwysers by laerskole in die omgewing vanweë die hoë standaard van ons leerlinge in hulle skole.

“Childhood is not a race to see how quickly a child can read, write and count. Childhood is a small window of time to learn and develop at the pace which is right for each individual child.”
